

Hi Giraffe family! This morning we spent some time outside in the sun with our friends from the other classes. Marcus, Aaron and Leila were playing on the seesaw before joining Penny and Elijah in the cubbyhouse. Aiden, Dillon and Kylen were reading and playing with their other friends in the new green treehouse area. Olive and Sarah were busy trying to balance on the edges of the sandpit. Angie and Elvira were playing pretend family with their barbie doll. Rosalinah joined her friends from next door to do some independent drawing whilst Dillon and Alex were busy exploring the yard. **Just a friendly remind please bring togs and a towel for water play tomorrow (Thursday 25/2)!**

QKLG: 2.1.1.1 - Connecting with others and relating to others, engaging with others. 3.1.2 - Connecting with and relating to others, developing skills in cooperating, sharing and taking turns.

For today's art Miss Melinda decided to create caterpillars using sponges, wooden sticks, paint and glue.. The children used the sponge to paint the head and body then using glue and wooden sticks to do the legs. The Giraffe's all had their own way of doing their caterpillar, some alternated between light and dark green whilst the others just did one colour only. It is nice to know the Giraffe's are able to use their words and express how they would like to do their art.
